COMMUNITY  
HUBS**

Hume Community Hubs are located within primary schools and provide programs such as playgroups, settlement information and support for families.

Mothers and children learn together in community settings they are familiar with and where they feel safe. The hubs are a great way to meet other people in your neighbourhood.

To find out more about specific programs offered within the hubs, contact the Community Development Hub Coordinator located in the hub closest to you.

Different languages are spoken at the hubs, please contact each hub to find out which languages are available.
