23/09/2024	Jodi Jackson	Expected completion date for missing footpath at Kalkallo Recreation Reserve (corner of Goodman Ave and Cloverton Blvd)	The works have been finished along Malcolm Creek and the section of path on the attached map has been repaired. Photo of map and before and 2 after photos attached. The Technical Services team have advised this is regular maintenance work.	24/09/2024
23/09/2024	Jodi Jackson	Public Toilet Strategy	We do not currently have a Public Toilet Strategy that we are able to rely on. Preparing a new strategy is a priority action in the Draft Open Space Strategy. The Draft Strategy went to community consultation earlier this year and we will be seeking Councillor endorsement of the Final Strategy early in the new Council term.	30/09/2024
24/09/2024	Joseph Haweil	Expected open date of the Greenvale Indoor Cricket Centre	<a href="#">Link provided: Greenvale Recreation Reserve Upgrades - Hume City Council</a>	30/09/2024
30/09/2024	Jarrold Bell	Status for the 24/7 gym program for Sunbury and Broadmeadows. Is this something we can do with the work underway at SALC to minimise disruption.	Officers have commenced the concept design phase for both SALC and BALC 24/7 gym access. Once concept designs have been completed, officers will commence schematic design with design development, contract documentation, tender and construction to follow. Project delivery timelines at this stage would be at least another 12-18mths. The delivery of the SALC Waterplay is anticipated to be completed well before the 24/7 gym access upgrades occur.	3/10/2024
