#### 1. SUMMARY OF REPORT:

- 1.1 As resolved by Council on 26 April 2022, the Proposed Annual Budget 2022/23 was placed on public exhibition from Wednesday 27 April 2022 to Monday 16 May 2022 inclusive, calling for submissions). This was advertised on Council's website and social media.
- 1.2 20 submissions were received and are attached to this report (Attachment 1).
- 1.3 Five people have elected to speak to their submission at the Council Meeting that will hear submissions on the Proposed Annual Budget on Tuesday 24 May 2022.

#### 2. RECOMMENDATION:

**Following consideration of budget submissions, it is intended that Council will consider the budget for adoption on Monday, 27 June 2022 at a meeting of Council to be held at 7:00pm at the Town Hall Broadmeadows.**

#### 3. LEGISLATIVE POWERS:

- 3.1 *Local Government Act 1989:*
  - Sections 154 – 181 – Rates and charges
- 3.2 *Local Government Act 2020:*
  - Section 94 – The budget
  - Section 95 – Revised budget
  - Section 96 – Preparation of budget or revised budget
- 3.2 *Local Government (Planning and Reporting) Regulations 2020:*

Q1. **Please indicate the topic of your submission** Garden beds and roads

Q2. **Please provide the details of your submission**

It would be nice to see Sunbury looked after like it was in the 90's. The roundabouts, grass and garden beds around town look horrible! They look unkept and messy, never weeded or tended to. Our roads are always atrocious, all that ever gets done are quick pothole repairs that last a few months and then back to disgraceful road conditions again! Why aren't our roads repaired properly?! As a ratepayer, and not to mention a high rate payer as our rates are not on the cheaper side, I expect better of the local council regarding these issues.

Q1. Please indicate the topic of your submission Increase in Council rates

Q2. Please provide the details of your submission

Dear Council Not only should there me not be any rate Increases after the past two years and the unnecessary chaos and heartache and poverty it has caused, but there should be rate reductions for those who were discriminated against from using most of the council facilities. Now that the vax has clearly been exposed as the scam of the century, but where is the apology, where is the assistance to those who lost their health and their jobs?? Where is the extra support for parents whose kids have fallen behind in school or for the victims of domestic abuse and suicide?? You should ALL HANG YOUR HEADS IN SHAME. You are ALL responsible for the carnage and you have blood on your hands. I laughed my head off when I saw the councilors are getting a 21% allowance increase. Except it's not bloody funny. Was that the idea of misogynist [REDACTED] [REDACTED] ?? [REDACTED] ?? You all make me sick. I will not be paying my full rates until I have a breakdown of what I owe and what I don't. I was not allowed to access most council facilities for the past 2 years so I WILL NOT BE PAYING FOR WVAT I DID NOT HAVE ACCESS TO. We don't need councils. Your role is becoming less and less significant in society. I disagree with ALL the rate increases and I hope you all get what you deserve. Fired!! Page 4: Rates and charges collected are expected to be \$219.65 million and include rates in lieu from Commonwealth properties of \$14.67million and \$4.25 million generated from supplementary rates. Page 7: Underlying result will be a DEFICIT of \$12.65 million 2022/2023 Page 38: General rates UP 4.45%. \$8.384 million Page 38: Total rates and charges UP 4.83% \$10.179 million Page 40: 1.75% rate increase. This is the maximum as set by the State Government Page 41: Statutory fees and fines UP 14.03% Page 44 Total Employee costs UP 14.46% or \$18.325million Page 46: Councillor allowances UP 21.49%

Q1. Please indicate the topic of your submission Enhanced Night Lighting at Highlands Lake

Q2. Please provide the details of your submission

In the midst of some of the worlds harshest lockdown restrictions, COVID-19 brought our community outside in the precious 2 hours of exercise we all needed. Highlands lake, for myself and those in my area, was a vital piece of infrastructure for promoting emotional wellbeing. However Highlands Lake hasnt yet reached its full potential in servicing the community. My proposition is for enhanced night lighting to be installed along the footpath perimeter of the Lake. This has the following advantages for the residents of Hume: 1) It promotes exercise and use of the Lake by residents at night 2) It increases safety, especially for women, towards those walking alone at night 3) It would further beautify the Lake, enhancing its attraction appeal for the wider area and hence boosting the local economy. To support the above, ive included a powerpoint with images of Highlands Lake during a night in May 2022. These images demonstrate that there are several sections of the perimeter footpath, particularly the western and southern sides, that are too dark for walking at night. Note, my iphone has artificially boosted the lighting on these night time photos and the environment is darker than they appear. Please visit for yourselves. I implore the council to invest in this idea.

Q1. Please indicate the topic of your submission      Lighting at the Highlands Lake

Q2. Please provide the details of your submission

Good evening Carly, Maria is in support of Mr Jalal Soufi-Sabbagh's budget submission to improve the lighting at the Highlands Lake. The Highlands Lake is very popular to many in the community and needs to be considered in the budget process as it is essential for a community to feel safe when participating in recreational activities. Kind regards Helen

Q1. Please indicate the topic of your submission Parks

Q2. Please provide the details of your submission

I wanted to suggest for either a kids park, kids traffic park for bikes/scooters, dog park or something interesting to be done in the paddocks in meadowheights that go from the lake at roxburgh park under the tunnel and all the way through behind the houses till the other park. For years the paddocks have just been a footpath with grass around and i believe something more interesting could be done. It will uplift that area and also provide something for the residents to do. Ive moved to one of the houses on eucalyptus Place Meadowheights and when we go for a walk, its just boring with nothing interesting. Im comparing this to Craigieburn where i moved from and it was soo much more interesting when walking.

- Q2. Please provide the details of your submission
- As a disabled pensioner I use an electric mobility chair and have been exploring the town centre . I have found the footpaths very rough and the crossovers even worse some dangerous.I have kept my trips small as there is a lack of public disabled toilet facilities.there should be more attention given to safety and comfort of disabled people of all ages.

Q1. Please indicate the topic of your submission Trees

Q2. Please provide the details of your submission

Trees in Craigieburn need to be pruned regularly as they are a hazard and very untidy. During there flowering phase there is a lot of mess left on roads , footpaths and residents cars. If the council is unable to regularly prune then let the residents do it.

Q1. Please indicate the topic of your submission Rates expenditure

Q2. Please provide the details of your submission

I submit that you take far too much money in rates and need to focus on how you can minimise the rates overall. Rates have historically risen much higher than inflation which in turn has contributed heavily to the rate of inflation itself. I know in recent years this has been lessened, but the inflation horse has well and truly bolted.

Q1. Please indicate the topic of your submission Lake Mcivor Reserve Park wider footpath

Q2. Please provide the details of your submission

The reserve Park where many families daily goes for a walk and sit or stand and watch the birds, the footpaths are so narrow and needs widening and the bricks by the edge of lake needs maintenance, rats lives in the high grass making people fearful... Few dead trees there needs replacement with trees that changes colour in autumn where these can reflect on water.. seems in Roxburgh park we feeling that less spending here than other well-known famous suburbs.

### HUME CITY COUNCIL DRAFT BUDGET 2022 / 2023 RESPONSE

Dear Sheena,

On behalf of the Craigieburn Cricket Club, I would like to make the following comments on the HCC draft 2022 / 2023 budget that has been released.

#### **1. Cricket Nets at Hothlyn Drive and Aston Reserves Craigieburn**

We are very thankful to Council for the inclusion within this budget for cricket nets at Hothlyn Drive and Aston Reserve's. Juggling access to nets for our junior and senior teams is always a headache and these new nets will allow all players to obtain fair access to the cricket nets.

**Please note**, we are not sure if provision has been made within this same budget, however we ask that you also make provision for a standard power supply at these nets so that we can use our electric bowling machine to aid training.

#### **2. Vic Foster Pavilion Upgrade**

We have noted that a small amount of money has been included in the draft budget to enable some preliminary work to begin on this project.

As you are aware, Vic Foster Reserve is an increasingly important ground for us as we now also play turf cricket on this ground. Sadly, the pavilion at Vic Foster is not up to modern standard and does not provide adequate female friendly amenities.

We would very much like the opportunity for our Club to be involved in all phases of this project as we believe we can add value in terms of the design.

#### **3. DS Aitken Reserve Rotunda**

We welcome the improvements to the DS Aitken Reserve and believe that the Rotunda can help draw even more people into and use the Reserve.

Our only request is that we have input into the location of the Rotunda.

### 4. Greenhouse Action Plan

We believe that this is a really important initiative, and we congratulate HCC for including a sizeable amount of money in the draft budget.

We have been working with Council on placing Solar Panels on the Pavilion at DS Aitken Reserve. Notwithstanding the significant energy costs now being borne by the Clubs using the DS Aitken Pavilion, given the recent promotion by HCC to households to take up a rebate from the Victorian Government, we believe that there is a gap by HCC not to fast track installing Solar Panels on HCC buildings.

We have recently written to the Hon. Minister for Community Sport, Ros Spence to also request assistance to have Solar Panels installed at DS Aitken Reserve Pavilion.

We would appreciate if you could fast track this initiative at DS Aitken Reserve Pavilion.

### 5. DS Aitken Reserve Fencing

Given the duplication of the Craigieburn Road West, all Clubs using DS Aitken are extremely concerned about the safety of players retrieving cricket and footballs that stray from the Reserve and cross Craigieburn Road West.

In recent conversations with Carly Moore, we understand that fencing along the reserve akin to the same dimensions as exist at Willowbrook Reserve in Westmeadows, may be installed at the expense of the Major Roads Project, the builder of the duplication of the Craigieburn Road West.

However, whether HCC pays for the fence or the builder of the road pays for the fence, we are requesting that the fence is installed asap this calendar year.

Thank you for all your assistance and please feel free to contact me for anything that needs clarification.

Your Sincerely,

*Gerard F Laffan.*

Q1. Please indicate the topic of your submission Barking dog

Q2. Please provide the details of your submission

The council has to be proactive in a situation where a ratepayer has a complaint about a barking dog . Instead of palming it off to the neighbours to do a diary and then create hostility between neighbours a courtesy letter could be sent by the council informing the people their dog is barking a lot and annoying neighbours in the neighbourhood.

Q1. Please indicate the topic of your submission Playgrounds and green space and Road Upgrades

Q2. Please provide the details of your submission

I'd like Council to invest in the following playgrounds, landscaping and road network upgrades in FY23. Over the past 12 months there has been much discussion in the media over the fact HUME is the only council in Victoria that has 0% shade sails in their playgrounds. Quite surprising and alarming given the community comprises of mostly young families. Would like to see Hume commit to incorporating shade sails in some of the larger/frequently used play grounds in addition to public toilets. On the topic of playgrounds, I've sent a couple of emails this year including follow up emails and didn't get any response from Council on the following - 1. Westmeadows Reserve Playground - please build footpaths in this reserve connecting playground to BBQ, tables and also a pathway to the oval and toilet facilities. This is very much needed. 2. Coopers Hill Drive Playground - recently upgraded and requires direct footpath connection/access to the Moonee Ponds creek trail path. The area is undulating and uneven, the grass is not cut regularly so toddlers and children are weekly walking kneeheight in grass uphill. Other items we'd like to see in the budget for FY23; A - Beecroft Drive Playground - frequently used by many and has not been upgraded in over 30years B - Attwood Lake: requires upgrading (trees/paving/lighting etc) /regular cleaning and maintenance, better lighting and build footpaths connecting to the boardwalk to create a circuit loop C - Please plant more trees and feature landscaping around Hume - we have lots of green wedges which are mostly grass/paddocks. In addition, main arterial roads, local thoroughfares and parklands could be better enhanced with plants and trees to increase our city treescape and tree canopy. D - Western Avenue: consideration for speed humps. I know this might be contentious but the excessive speed buses, trucks and cars travel on this road is dangerous and trying to cross the road with kids to access shops and cafes is very dangerous at all times of the day and evenings. E - Advocation to VicRoads and State government for the much needed intersection upgrade at Johnstone Street/Broadmeadows Road, Westmeadows. A cost effective solution would be a roundabout and this would appease everyone! F - Liaise with VicRoads and State Government to commence feasibility and planning to consider building the Aitkin Boulevard extension from Somerton Road to Johnston Street and/or connection to the M1 - mickleham road and Pascoe vale road are further experiencing excessive traffic due to new subdivisions Hume are approving in Greenvale/Craigieburn/Mickleham etc and more roads and connections are needed to reduce and ease major congestion on existing arterial roads. Thanks for the opportunity to provide feedback, look forward to your commitment and vested interest in making Hume a better place.

- Patrick James Riley**: Maybe try putting more bins around progress park around all picknick table areas and at the school gate..
- Mim Stoermer**: sunbury needs a bigger aquatic centre.
- Patrick Esse**: Take over the Masters building and turn it into a basketball and netball stadium for starters
- Raquel Emma**: New community centre for sunbury
- Claudia CC**: Maybe community clean up days - community hard rubbish days so people can get rid of their rubbish instead of all this illegal dumping. More bins in parks.
